

Notice of Opportunity: Surgical Assistants

Windsor Regional Hospital is seeking dedicated physicians interested in incorporating surgical assistance into their clinical practice—ranging from a few days per month to a few days per week—while participating in a new on-call rotation.

WRH has recently received approval for Burden-Based On-Call (BBOC) Surgical Assist Funding. To support implementation of this funding program and ensure appropriate utilization of the available resources, we will be establishing an on-call surgical assist schedule.

Breadth of Surgical Practice at WRH

Our surgical teams deliver high-level intra-operative support and patient care across a wide range of disciplines, including:

- General Surgery
- Orthopaedic Surgery
- Thoracic Surgery
- Vascular Surgery
- Urology
- Gynecology
- Plastic and Reconstructive Surgery
- Ear, Nose, and Throat (ENT)
- Oral and Maxillofacial Surgery
- Neurosurgery

Role Overview & Qualifications

This position is designed for Physicians who wish to focus a portion of their clinical practice on technical and intra-operative support; including surgical exposure, hemostasis, dissection, wound closures, etc.

- Doctor of Medicine (MD) or equivalent, with a valid Independent Certificate of Registration (or eligibility) with the College of Physicians and Surgeons of Ontario (CPSO).
- Current and appropriate CMPA coverage.

Compensation:

- Remuneration is primarily structured through personal OHIP billings (Fee-for-Service) under the Ministry of Health's surgical assistant codes, supplemented by a modest on-call stipend through the new Burden-based On-Call (BBOC) program.

If you are interested in participating in the on-call rotation, please let us know at your earliest convenience.
